

Temporary Pause of Select SKUs – Notification and Guidance

As a valued partner, we want to inform you of an important update regarding our product portfolio.

To strengthen our long-term supply chain resiliency and improve service to our customers, TIDI Products has transitioned manufacturing operations from China to Mexico. As part of this strategic shift, we are prioritizing the production of high-demand SKUs to ensure consistent availability of our most critical products.

Effective immediately, production will be paused through the remainder of 2025 on the following SKUs:

1. CFI-959 – Cover, Cassette, 24x24 Non-Sterile
2. CFI-668 – Bag, Clear Band, 42x36
3. CFI-655 – Bag, Clear Band, 36x30
4. CFI-821 – Bag, Clear Dome, 22in
5. CFI-657 – Bag, Clear Band, 36x36
6. CFI-756 – Bag, Clear Dome, 27in
7. 5412 – Cover, C-Arm X-Ray Tube, 36x36
8. 5411 – Cover, C-Arm X-Ray Tube, 30x32, CC
9. 5464 – Kit, SIREM ISO-CII/CARM and X-Ray
10. 5555 – Vision R12/R9 Kit

Pause Start Date: May 19, 2025

Pause End Date: December 31, 2025

**Reason for Pause:**

This action allows us to prioritize high-volume products during our transition, ensuring more stable availability for the most commonly used items across your facilities.

Guidance for Customers:

- Customers who currently purchase these SKUs from TIDI should begin sourcing alternatives through other suppliers.
- If a customer has not yet converted to TIDI for these SKUs, they are encouraged to remain with their existing supplier during this time.

We appreciate your partnership and will continue to support with timely communication and excellent service. Should you have any questions or require further clarification, please don't hesitate to contact your TIDI representative.
