Subject: Potential discontinuation of select products

Dear Valued Customer,

This letter is to notify you that we anticipate a disruption to the supply chain for our Rüsch™ Gold Foley Urology Catheter product lines due to a change in the raw materials required to produce the Gold Foley catheters. This disruption is causing a product backorder which could potentially lead to the discontinuation of the full product line. We are continuing to monitor the situation closely and will keep you apprised of any changes.

The chart below details the disrupted products, and where applicable, alternate product codes. We appreciate your continued business, and we apologize for any inconvenience this interruption in the supply chain may cause.

				Product Code			
-	-	-	-	170003060	RÜSCH™ PAED 2W 1.5ML 100% SILICONE 6 FR	BX	5
