

InstantCath™ Intermittent Catheter

Now Available in United States

September 2024

Dear Valued Customer:

Hollister is pleased to announce the addition of InstantCath™ intermittent catheters in the United States.

InstantCath™ intermittent catheters are ready-to-use gel pre-lubricated catheters that help enhance user convenience and comfort. This new product is available in eight (8) different sizes and packaged 30 catheters to a box.

All SKUs have been classified as HCPCS Billing Code A4351 and are available to purchase from Hollister.
