

January 31, 2026

Dear Valued Customer,

This letter is to inform you that Baxter (formerly Hillrom) will discontinue manufacturing of select configurations of the **Welch Allyn Connex** Vital Signs Monitor (CVSM) 6700 and 6800 Series devices per the following schedule:

- United States: Effective May 15, 2026
- Canada: Effective August 15, 2026

A list of the impacted part numbers is attached in Appendix A of this letter. All other CVSM 6700 and 6800 Series configurations will continue to be manufactured.

Service and support for the impacted products will continue for a period of 5 years from the end of manufacture date or until parts are no longer available.

Baxter offers a broad portfolio of patient monitoring devices that may be suitable for your use case. To obtain more information about alternate product options or to create a transition plan for your facility, please contact your local Baxter sales representative for additional details.

We thank you for your business, partnership, and loyalty, and we look forward to continuing to serve your needs with other Baxter products. Please contact our customer service department or your Baxter representative with questions regarding this notice.

Sincerely,

David Levitskiy
