June 20th, 2025

Dear Valued Customer:

This is a follow up communication to the letter dated January 22, 2025, to provide an update on a disruption to supply on select codes within the Wound Care portfolio.

Background

As previously mentioned, the supplier of the paper material used in the packaging for many of our sterile products unexpectedly made the decision to exit the market. Please see Table 1 for updated information on impacted codes, estimated runout dates and estimated recovery timelines. Estimated run-out dates provided in Table 1 are based on current production plans, customer demand, and packaging material on hand as of today. All run-out dates and recovery timelines are subject to change.

Recommended Next Steps

Please work with your local Cardinal Health Sales Representative to help determine a plan moving forward for your facility. We are working diligently toward a resolution on this issue and will provide additional communication as the situation evolves.

If you have any questions, please contact your sales representative or Cardinal Health Customer Service at 800.964.5227. We appreciate your patience as we work toward a resolution.

Thank you,

A handwritten signature in black ink that reads "Brittany Dedels".
