

Surgical Gown, AERO CHROME* Update

March 15, 2024

Dear Valued Customer,

We are writing to let you know of an upcoming change to the HALYARD* sterile AERO CHROME* CSR wrap included in the sterile, surgical gowns. This quality improvement enhancement increases the basis weight from 0.65 osy to 0.70 osy and standardizes CSR wrap across surgical gown portfolios.

Owens & Minor continues to ensure the highest standards of quality and consistency in our products. This adjustment will not in any way affect the quality or performance of the gown, and will only impact the wrap encasing the sterile, surgical gown.

Current AERO CHROME* Gown CSR

New AERO CHROME* Gown CSR

Should you have any questions or require clarification regarding this update, please don't hesitate to reach out to our customer service team. We are here to assist you.

Thank you,
